

Governor's Newsletter

April 2019

Tū mai moko, te whakaata ā ō mātua, te puna moko ā ō tūpuna.

Stand strong o grandchild, the reflection of your parents, the blueprint of your ancestors

Take time out to say “Kia ora” it means “Be Alive”, “Be Healthy”, “Hello”.

At the beginning of April, we saw a number of celebratory activities for Women in Rotary spring in to life. It is great to see the growing wave of women creating dynamic fields of influence within our Rotary fraternity. Mana wahine (the charismatic power of women) in Motion. ***Ko te wahine te whare tapu o te tangata. Women are the sacred house of humanity.***

The quality powhiri (welcome) from Westlake Girls & Boys Cultural Group set the platform for a great D9910 Conference. Special thanks to Fay as Conference Chair & the team for creating an energy-filled & inspirational weekend. Two feedbacks from many received gives testimony to its success, “That was a great conference, excellent speakers, every one of them, a most enjoyable “Beach Party” extremely well catered for & such good music.” “What a magnificent weekend we have just experienced. Full credit to you both for keeping Rotary churning at the ‘Nuts & Bolts’ practical level.” Thank you to those who attended for our amazing support.

Rotary's area focus for April is Maternal & Child Health. A number of our clubs & their networks are already working in this space. Some great examples; Shona Whitehead fundraised for her financially struggling Hikurangi Community alongside Whangarei Rotary so that children 5 – 13 years who were not entitled to free Meningitis Vaccination can be inoculated against **Meningococcal W**. With the support from District **\$20,000 was raised**. Ricky Houghton creating violence, alcohol & smoke free environments in the far north & Kaitia for women & children. The Thamdanda, Nepal, Water Supply & Sanitation project led by Clare McCall & the Himalayan Leaky Foundation & Westhaven Rotary together with the Rotary Club of Yala, Nepal. Women & their families have access to clean water & sanitation. **Life is Water - I am Water, Water is me.**

Nga mihi nui (Sincere greetings) Governor Jerry and Fay

DISTRICT BUSINESS

April	Maternal & Child Health
26 – 28 April	District 9980 Conference – Oamaru (DG Jerry & Fay attending)

RI PRESIDENT'S MESSAGE

Barry Rassin
President 2018-19

April 2019

Every two minutes, somewhere in the world, a woman dies from preventable causes related to pregnancy and childbirth. And babies whose mothers die within the first six weeks of their lives are far more likely to die themselves than

babies whose mothers survive. As I've traveled around the world as president of Rotary, I've met families for whom these aren't simply tragic statistics. But I've also met people who are devoting themselves to helping mothers and children — and because of them, I'm hopeful. And because many of those people are Rotarians, I'm also proud. April is Maternal and Child Health Month in Rotary, so it's a perfect time to tell you about some things Rotarians are doing that will make you proud too.

Last fall, I paid a visit to a hospital in the town of Jekabpils, in Latvia. It's a modern hospital, and the doctors and nurses there are caring, dedicated, and skilled. But despite all their hard work, the maternal mortality rate at the hospital had remained stubbornly high, due to a factor that was beyond their control: a lack of vital diagnostic equipment and even basic items like incubators.

And that's where Rotary came in. Twenty-one clubs from around the world joined forces for a global grant that provided what the hospital required. And in September, when I walked into the maternity ward there, I saw state-of-the-art equipment, and I met patients who were getting the care that they needed — and that every mother and child in the world deserves to have.

In Brazil, club members worked with fellow Rotarians in Japan on a global grant project that dramatically increased the capacity of an overstretched neonatal intensive care unit. New incubators, monitors, and other equipment have enabled the local hospital to save many more babies' lives each year.

And in Mongolia, a vocational training team from New Zealand organized instruction in emergency response techniques for doctors and midwives, set up a program that taught midwives modern best practices, and researched and wrote a culturally relevant childbirth education manual. Between 2013, when the team first went to Mongolia, and 2017, the neonatal mortality rate in the country fell from 11.2 to 9.1 per 1,000 births, and the maternal mortality rate has decreased as well.

That's what I mean when I talk about transformational service, and it's what Rotarians do best. Because of our networks, which span the globe; our community presence, which allows us to see what's most needed; and our expertise, which encompasses countless skills and professions, we're able to serve in a manner that has no equal. And we're able to *Be the Inspiration* as we help those who need us most

YOUTH SERVICES MONTH

What Is your Rotary Club doing to focus on Youth Service in May 2019? May is Youth Services Month when Rotary Clubs, around the world focus on youth services, Rotaract, Interact, RYLA, RANZSE, International Youth Exchange.

Can your Rotary club sponsor a Rotaract Club and/or an Interact Club? YES ... Here is an idea... You may want to co-sponsor a Rotaract or Interact Club with another Rotary Club. Interested in finding out more contact Clive Menkin M: 0215 30962 menkin@menkin.co.nz

Our District currently has 1 Rotaract Club and 5 Interact Clubs
Over the month of May you could organise a special meeting with your Rotaract or Interact Club or involve them in a special Community Project.

Rotary's programmes are developing the next generation of leaders, providing funding to make the world a better place, and making peace a priority. Our programmes are not just for club members. Learn how you can make a difference in your community through Rotary.

Rotary Peace Fellowships:

Each year, Rotary selects up to 100 professionals from around the world to receive fully funded academic fellowships at our Rotary Peace Centres. [Learn more >](#)

Rotary Community Corps

Finding community solutions to community challenges, Rotary Community Corps unites Rotary members with non-members to make a positive difference. [Learn more >](#)

Rotary Youth Leadership Awards (RYLA)

RYLA is a leadership development program for young people who want to learn new skills, build their confidence, and have fun. Events range from one-day seminars to weeklong camps. [Learn more >](#)

Rotary Youth Exchange

Rotary Youth Exchange builds peace one young person at a time. Students learn a new language, discover another culture, and truly become global citizens. [Learn more >](#)

New Generations Service Exchange

New Generations Service Exchange is a short-term, customizable program for university students and young professionals up to age 30. Participants can design exchanges that combine their professional goals with a humanitarian project. [Learn more >](#)

Scholarships

Rotary invests more than \$7 million a year in our future leaders and philanthropists by funding scholarships for undergraduate and graduate study.. [Learn more >](#)

District 9910 Conference

Wow what a conference. We have received so much positive feedback from attendees.

Our organising committee can be very proud that all of their planning and hard work culminated in a conference that reflected our theme for the year 'Be The Inspiration'.

The conference started on the Friday Night with a formal powhiri and welcome from Governor Jerry. Our powhiri was supported by Matua Johnny Waititi and the kapa haka group from Westlake Girls and Boys High Schools, Te Ihi O Te Ra. A passionate performance by the group followed then attendees took time to enjoy some fellowship.

Saturday morning commenced with **RI President Representative, PDG Charlie Speirs** opening the conference. **D9980 Governor Andrew Hamilton** spoke on behalf of the rest of the Governors of NZ. Our IYE students presented the flags in traditional manner to a hearty rendition of 'Poi E'.

Our first Keynote Speaker **William Pike** relived his experience that lead to him losing his leg on Mt Ruapehu and spoke about the William Pike Challenge Award, encouraging Rotary Clubs to financially support a school in their area. Signed copies of his book "Everyday Is a Good Day" proved very popular with conference attendees.

Due to an unforeseen commitment our next Keynote Speaker, **Ricky Houghton, Local Hero of the Year at the 2018 Kiwibank New Zealander of the Year Awards**, was unable to be with us but through the power of media a pre-recorded interview with Governor Jerry was shown. Ricky provided an insight into his dysfunctional and tragic younger years and inspired attendees with his vision, through He Korowai Trust, to see whānau in the Far North move from state dependence to independence. An appeal was made by Ricky for Rotarians with skills such as builders, architects, engineers and people who know how to deal with council compliance to help his project. Governor Jerry presented Ricky with a **Paul Harris Fellow** to recognise the humanitarian work he has done and continues to do for his Far North community. At the airport Ricky proudly displayed his Paul Harris Certificate to all who passed by.

Please talk to Governor Jerry if you are keen to support Ricky in any way to realise his vision

Glenys Parton, Chair ROMAC NZ, acknowledged the D9910 Rotarians and Clubs who are supporters of the remarkable work that ROMAC undertakes. Over the conference we also heard from **PDG Bruce Rasmussen** who presented on the National Science and Technology Forum, an update from **PDG Peter Garnett** on two projects that are currently underway in Vanuatu, while ROTEX **Matthew Wood** and IYE students **Flo and Helmi** shared accounts of their exchange experiences. Members of Kaipara South Satellite, Rotary Waitakere and Rotary Kerikeri showed the great work they are doing in their communities and reminded us of the importance of how engaging with our communities raises the profile of Rotary. Kerikeri **President Neil Blanchfield's** clear message was if you see anything with Rotary signage that is in disrepair; fix it, paint it or get rid of it.

Keynote Speaker **Naomi Ballantyne**, spoke of her encounters with narrow-mindedness and chauvinism in the insurance industry while proving that hard work, persistence and resolve have made her one of the most well-known and respected executives in the market today and has unprecedented experience in starting companies and then leading them to significant long-term success.

Saturday Night we dined on great food catered by our conference caterers **"FERNZ"** and danced to the sounds of the band **"Fully Stocked"**. Attendees arrived wearing colourful attire that embraced the Beach Party theme of the night.

Day 2 commenced with a moment of silence for Rotarians who had passed away to the beautiful tones of El Silencio.

Keynote speaker **Karim Rostami** reminded us that hardship and adversity should not be a reason to not set goals and realise them. He has become a successful business with his own catering company and café in Point Chevalier while undertaking open water swim marathons raising money for charity. A great insight into what motivates this amazing young man.

Westhaven Rotarian **Clare McCall** shared with us the wonderful work that she, along with **Rabindra Tamang**, is undertaking with the Himalayan Leaky Foundation. Her commitment to provide ongoing support to Nepal includes a Global Grant to pipe water 8 kilometres for the Thamdanda Integrated Water Supply & Sanitation Project, incorporating 5 villages and home to 439 people.

Our final keynote speaker, **Eliza McCartney's** effervescent presentation gave us an insight into the world of a high performance athlete. She was quick to tell us that her success in pole vault was down to the massive commitment and vision of her coach Jeremy McColl.

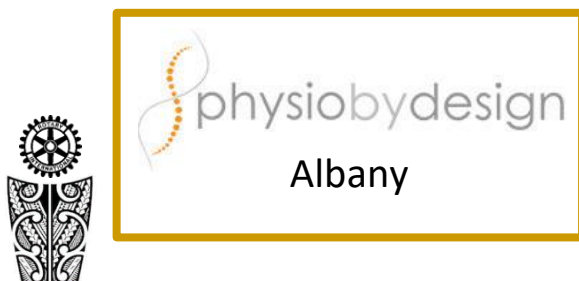

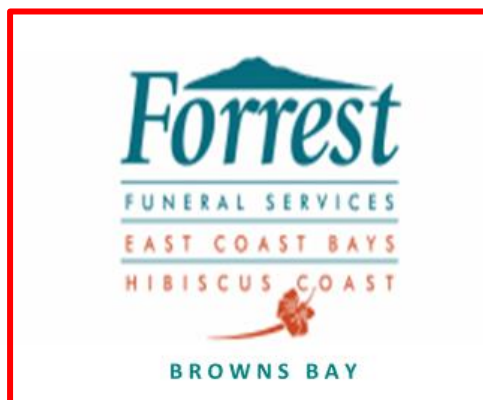

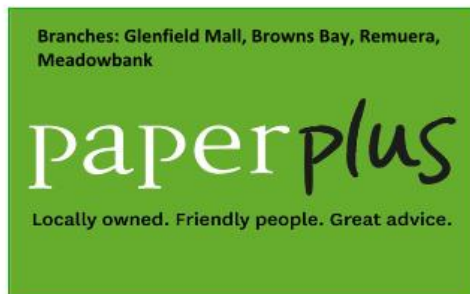

"Thank you for your truly fantastic conference. I enjoyed all the speakers you had. They were all so inspiring with their messages. It's always great to be catching up on busy Rotarians from different clubs & people you've known in your younger years."

SERVICE ABOVE SELF

Sandra McKersey

Service Above Self Award
Presented at The 2019 District Conference
By Governor Jerry Norman

It is my pleasure to present this prestigious Service Above Self Award tonight.

The nominee of such an Award must have demonstrated exemplary humanitarian services with an emphasis on personal volunteer efforts and active involvement in helping others through Rotary. Service rendered by the nominee through Rotary must have been on a continuing basis. The RI Board considers this recognition as the highest honour to be bestowed on a Rotarian. A maximum of 150 Rotarians may be selected annually and only one from any district a year. Our honouree has held many leadership roles at club, district and Rotary International level and including the community she lives in and continues to make extensive club, district and Rotary International contributions.

Examples are

1. A Polio Plus Partners task force member.
2. National and Region Polio fundraising Committee Chair
3. District trainer, Poverty Alleviation Task Force
4. World Affairs-South Pacific Committee
5. Rotary Fellowships Committee, Rotary International Training Leader
6. District Rotary Against Malaria (RAM) committee, Rotary Nominating Committee
7. Director of The Rotary NZ World Community Service (RNZWCS)
8. TRF Cadre of Experts - Technical Advisor.
9. **In 2001 - 2002 She made Rotary history in NZ by becoming our first Woman Governor**

While in Bangladesh in 2015 She visited a boys orphanage and saw that the dormitories were appalling, no better than a shack, There were 50 boys sleeping in what she described looked like a chicken coop. She recalled, "I just thought this isn't good enough. She knew she couldn't get a Global Grant so on her return home she came up with a "Buy a Bed" fund raising project, to help fund the building. Soon family, friends, Rotarians from all around the Rotary world contributed US\$30,000 and in February 2018 Sandra with 5 members of the Whangarei South Rotary Club went to Bangladesh for the official opening of the 50 bed dormitory named "Sandra McKersey Hall", "seeing the smiles on the faces of the boys made one feel so very proud of being a Rotarian" she said.

1. Her family, business and Rotary life has taken most of her time however she always finds time to support her local community
2. She has been the Patron of Dress for Success
3. For several years, she has been a member of the local National Council of Women Committee
4. She has been involved in Business Mentoring Programmes
5. She is supporting the building of the Hundertwasser Art Museum in Whangarei

It is indeed my privilege on behalf of The RI Board of Directors and D9910 to present the Service Above Self Award to an amazing Rotarian, Sandra McKersey, who through devotion and exemplary efforts embodies Rotary's motto of Service Above Self.

I ask that you all join me in congratulating Sandra McKersey.

D9910 Conference 2020

DGE Ian Kiernan and Jasmine invite everyone to join them for the 2020 Conference

30 YEARS OF WOMEN IN ROTARY

In Auckland we celebrated with a 5 kilometre walk

Despite the rain a good number of people turned out to undertake the 5 km around the Westhaven Basin.

Rotary Clubs in the North also celebrated Women in Rotary

Whangarei Clubs came together for a breakfast

Rotary Kerikeri past and present members and partners enjoying the occasion

Past and present members L to R: Vicki Douglas (2009-present), Trish Rodgers (2002-2012), Colleen House (2001-2015), Liz McCarthy (2018-present), Jenni Wilson (2008-2015), Lian Smith (2002-2011), Dawn Laurenson (2010-2015), Alison Lemon (2013-present), Trixie Newton (1990-2001), Deb Klinac (2018-present), Ria Locke (1992-2000) and Elizabeth Forgie (1990-2001).

ROTARY IN ACTION THROUGH PARTNERSHIP WITH A LOCAL COMMUNITY

Whangarei Rotary Club members Shirley Faber and Peter Mulhare, Ani Hemara, Hikurangi School acting principal Stacey Richards and Shona Whitehead. Photo/John Stone

Hikurangi School children who were ineligible for the free Meningococcal W vaccination are now set to get the vaccination after a fundraising campaign has raised \$20,000.

When Shona Whitehead found out most of the young people in her Hikurangi community group had not been vaccinated against the deadly meningococcal disease, she wanted to help. She launched a campaign last month to raise \$20,000 to vaccinate about 200 children who were aged 5 to 12 years and therefore ineligible for the free Meningococcal W vaccinations. She set about gathering donations from the community, collecting \$6025.

She met with Whangārei MP Dr Shane Reti who agreed to deal with the medical side of things - ordering the vaccines at cost and conducting the vaccinations.

Shona also approached Peter Mulhare from Whangārei Rotary Club for some funding help. Peter said, "She was really passionate about the whole cause. She was fighting for the kids." He acknowledged many families have more than one child at the school and could not afford to get them vaccinated. Peter Mulhare approached the Harold Thomas Rotary Trust who agreed to match dollar for dollar whatever Whangārei Rotary could raise. He went back to his board and suggested increasing their contribution to \$3400 and secured a further \$2500 in a district grant. It meant that the total of \$11,800 donated by Whangārei Rotary got the campaign over the line. She said altogether \$17,825 had been raised. "The big thing was the confirmation of the money, it's given us hope for our children." She said getting the money was "marvellous" particularly in such a short space of time.

Shona had set a deadline of the end of April because the vaccine can take up to a month to build up immunity and winter is coming.

It was also important because seven-year-old Alexis Albert from Hikurangi died from the disease last winter. Three people in Northland have died from the disease since the strain came into the country last year. A vaccination programme was launched in the region late in the year.

"Now the next part is consent," Shona said.

Dr Reti commended Shona, her mum Ani Hemara, the community and the Rotary Club.

"It's sending a signal that Northland children need to be vaccinated... this is the Hikurangi community standing up." He has been in negotiations with the vaccine manufacturers and said he has the ability to order up to 220 vaccines. Dr Reti said the campaign has funding to purchase around 170-175 vaccines.

Dr Reti said he was planning to carry out the full day vaccination programme at the school "in the month of April" after Easter. Shona said there are still two events planned to raise money for the campaign, and funds raised from those events will still go towards vaccinations.

Shona was so grateful to Whangārei Rotary Club she has decided to join them as a way of giving back.

ANZAC

Let us remember and pay our sincere respects to all those who served and died in all wars, conflicts, and peacekeeping operations for our freedom.

E kore rātou e kaumātuaia
Pēnei i a tātou kua mahue nei
E kore hoki rātou e ngoikore
Ahakoa pehea i ngā āhuatanga o te wā
I te hekenga atu o te rā
Tae noa ki te aranga mai i te ata
Ka maumahara tonu tātou ki a rātou
Ka maumahara tonu tātou ki a rātou.

They shall grow not old
As we that are left grow old
Age shall not weary them
Nor the years condemn.
At the going down of the sun
and in the morning,
We will remember them
We will remember them
